## Safe Method: Pest control

Effective pest control is essential to keep pests out of your premises and prevent them from spreading harmful bacteria

Safety Point	Why?	How do I do this?
Check your kitchen regularly for	Pests carry harmful	When do you check for
signs of pests, for example in your kitchen cupboards.	bacteria.	pests?
		Put reminders of when to check for pests in your diary
Make sure no food or dirty plates are left out at night and clean up any food on the floor.	These are a source of food for pests.	Do you check your kitchen is clean every night? Yes/No
Keep external areas tidy and free from weeds. Make sure bins have close-fitting lids and are easy to clean.	Weeds and rubbish can attract pests and provide them with food and shelter.	How often do you check external areas?

Signs of pests Type of pests Rats and mice Small footprints in dust, droppings, holes in walls and doors, nests, gnawed goods or packaging, grease or smear marks, urine stains on food packaging Bodies of insects, live Flies and flying insects insects, webbing, nests, droning or buzzing, maggots Beetles and weevils Moving insects, particularly in dry food, small maggots

What to d	o if things go wrong	
	ou see signs of pests, call your local authority or a pest contractor nediately. Write the pest contractor on the contacts list in the diary	
	ou think any equipment, worktop or utensils have been touched by pests, sh and disinfect them to stop harmful bacteria from spreading	
1	ou think food has been touched by pests in any way, throw it away	
☐ If pe	est control chemicals get into food, throw the food away	
Write what went wrong and what you did about it on your diary sheet		
Think twi	ce!	
Never put pest control bait/chemicals, including sprays, come into contact with food, packaging, equipment or surfaces, because they are likely to be poisonous to people.		
Manage i	t	
Make surfood for pe	e no food or dirty plates etc. are left out at night – these are a source of sts.	
Make sure that checks for pests are carried out regularly.		
• Put remin	ders of when to check for pests in your diary.	
your diary,	re a pest contractor, keep a record of their contact details and visits in as well as any feedback or action points they recommend. Make a note of nave carried these out.
