

Englefield Green Village Neighbourhood Plan Referendum Information Statement

1. Purpose of this information statement

A referendum on the Englefield Green Village Neighbourhood Plan will be held on Wednesday 13 December 2023. This statement provides information on the referendum that is taking place and how to take part in it.

2. What are Neighbourhood Plans?

Neighbourhood planning was introduced under the Localism Act 2011 and gives new rights and powers to help local communities shape new development in their local area. It enables communities to develop a shared vision for their neighbourhood and develop local policies for determining planning applications.

In Runnymede, neighbourhood plans are prepared by neighbourhood forums. The local community can decide what to include in a neighbourhood plan, but it must meet 'basic conditions' as set out in legislation.

3. The Englefield Green Village Neighbourhood Plan

The Englefield Green Village Neighbourhood Plan has been prepared by Englefield Green Village Neighbourhood Forum. The Forum established an area which the plan applies to, and this is detailed in the map below. The boundary of the Englefield Green Village Neighbourhood Area was designated on 13 November 2019. The referendum area is identical to the area that has been designated as the Englefield Green Village Neighbourhood Area. People who live within the neighbourhood area can vote on the neighbourhood plan.

The Englefield Green Village Neighbourhood Plan has been produced in accordance with the statutory requirements. An independent examination took place on the plan, which recommended with some modifications the plan could proceed to referendum.

4. Referendum on the Englefield Green Village Neighbourhood Plan

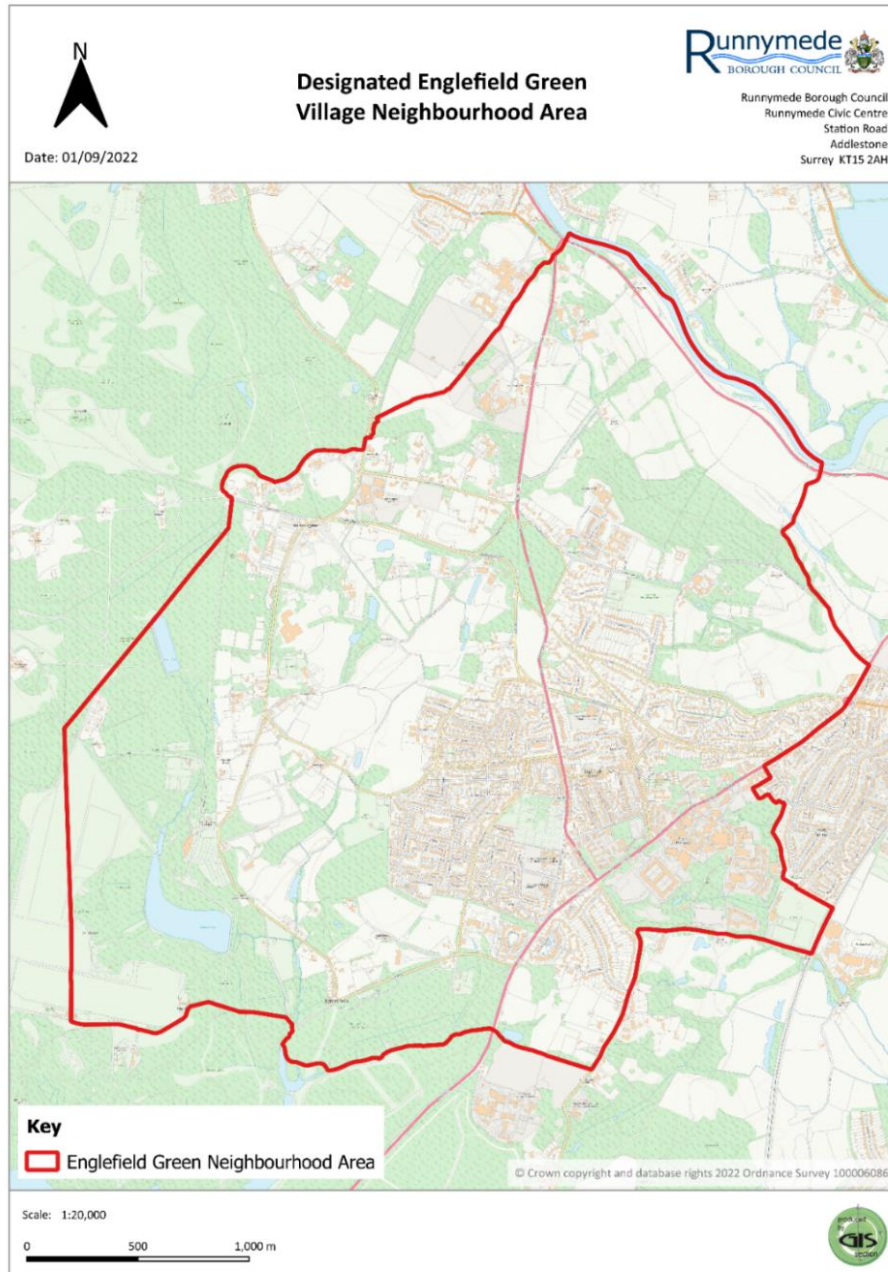

A referendum asks you to vote 'yes' or 'no' on a specific question. For this referendum you will receive a Ballot Paper which asks the following question:

'Do you want Runnymede Borough Council to use the Englefield Green Village Neighbourhood Plan to help it decide planning applications in the neighbourhood area?'

5. What does the Referendum result mean?

If more than half of those voting in the referendum have voted in favour of the plan the council must 'make' i.e. adopt the neighbourhood plan, as soon as reasonably practical. It will become part of the statutory development plan for the area to be used in determining decision on planning applications.
