Thank you for your consultation on the above planning application.

Following a review of the amended proposals (documents submitted on portal 2/11/2022) and previous consultee correspondence, Engineering Services has no further comments.

Kind regards,

[REDACTED],

[REDACTED] | Principal Engineer – Environmental Services | Runnymede Borough Council

The Council has introduced a new Covid-safe regime for staff returning to the Civic Offices on a rota basis, and phone lines may not be accessible. Please be advised that during this period the Runnymede Planning team are doing their very best to provide our normal service to our customers. However, there may be times when we may take longer to deal with your enquiry as we move into this next stage. We are still restricted in making our site visits, so if you are submitting a planning application, we would appreciate some recent photographs to help us process your application.

Sign up to our [planning alerts](#) service to keep up to date with applications near you.

Visit the Council's website and social media channels to see how we are responding to climate change and supporting: the health and wellbeing of our residents, their ability to effect change locally and the economic prosperity of our Borough.

Think before you print this. We are committed to being transparent about why and how we collect and use your personal data. Please see our [Privacy Statement](#) for further details.
