

RESIDENTIAL BUILDING REGULATION CHARGES - SCHEME No 11
Building (Local Authority Charges) Regulations 2010 (As Amended)
Effective from 1st April 2024

GUIDANCE NOTES

1. Building Regulation Approval

1.1 Building Regulation Application - Before any building works are carried out, you or your agent must advise your Local Authority by submitting a Building Regulation Application, either using a **Full Plans** or a **Building Notice** Application.

The works may also require Planning Approval, guidance for which can be obtained separately from the Council's Planning Department.

The Building Regulation charges depend on the number and size of dwellings, the type of work being undertaken, and the total floor area. The following tables should be used to calculate the charges within Runnymede; however, if you have any difficulties, or the works being carried out are not detailed within the tables, please contact the Building Control Section who will provide advice and an Individually Determined Charge for your proposals.

2. Fees are payable as follows:

2.1 Full Plans Application - Should you submit a Full Plans application, you will pay a plan charge at the time of submission of the application, with an inspection charge payable at the commencement of works. See Tables below.

Applications should include two copies of all details, for further guidance details see the Runnymede web site, or the CLG Planning portal

2.2 Building Notice Application - Should you submit a Building Notice, the appropriate charge is payable at the time of submission. The fee payable covers all necessary plan examination and site inspections, this charge is equivalent to the sum of the relevant plan and inspection charges paid for full plan applications. See Tables below.

Applications should include one copy of all available details, for further guidance details see the Runnymede web site, or the CLG Planning portal

2.3 Regularisation Certificate - Should you apply for a Regularisation Certificate in respect of unauthorised building work, commenced on or after 11th November 1985; a regularisation charge is applicable. This charge is payable at the time of submission of the application, and covers the cost of assessing your application, and all site inspections.

Applications should include one copy of all available details, for further guidance details see the Runnymede web site, or the CLG Planning portal

2.4 VAT – Is chargeable to all Building Regulation Applications at the appropriate rate, with the exception of Regularisation Certificates.

3. Charges Tables

3.1 Table A Standard Charges for New Housing – details the charges payable for new dwelling **houses and flats**, where the total internal floor area of each dwelling, including any garage or carport, does **not exceed 300m²**. The building must also have not more than three storeys, including basement storeys.

Dwellings exceeding 300m², or sites exceeding **10 dwellings**, please contact the Runnymede Building Control Section who will provide an Individually Determined Charge.

Electrical works not carried out by a Competent Person registered under the Part P Scheme, attract an additional charge as detailed in Category 5 of Table C.

3.2 Table B Domestic Extensions to a Single Building – details the charges payable where works comprise of one or more **domestic extensions**.

Floor area is the total internal floor areas of all storeys added together. Two or more extension floor areas may be added together to determine the relevant charge, providing the works are

carried out simultaneously. The Council reserve the right to make additional charges should this subsequently not be the case.

Electrical works not carried out by a Competent Person registered under the Part P Scheme, attract an additional charge as detailed in the Additional Charge column.

3.3 Table C Domestic Alterations to a Single Building – details the charges payable where works consist of domestic alterations.

Estimated cost means, an estimate of all reasonable costs including both materials and labour that would be charged by a person in business, to carry out the work, excluding VAT. Professional fees paid to an architect, engineer or surveyor etc. and land acquisition costs, are to be excluded from the estimated costs.

Individually Determined Charges – where works do not fall within any of the categories within Tables A to C please contact Runnymede Building Control Section who will provide an Individually Determined Charge for your project.

4. Supplementary Additional Charges

4.1 Competent Designer and Contractor

The Standard Charges have been set on the basis that the design and building work is undertaken by a person or company that is experienced and competent to carry out the work. If not, the work may incur supplementary additional charges.

4.2 Innovative or High Risk Construction Techniques

The charges have also been set on the basis that the building work does not consist of, or include, innovative or high risk construction techniques. If so, the work may incur supplementary additional charges.

4.3 Construction Time Period

If the duration of the building work from commencement to completion exceeds 12 months, the Council reserves the right to make supplementary additional charges.

4.3 Chargeable Advice Discount

If chargeable advice has been given in respect of any of the work detailed in these tables and this is likely to result in less time being taken by the authority, a reduction to the standard charge will be made.

5. Exemptions

5.1 Where plans have been either Conditionally Approved or Rejected, no further charge is payable on resubmission for substantially the same work.

5.2 Works to provide **access and/or facilities for disabled people** to existing dwellings, and buildings to which the public have access are **exempt from charges**. In these Regulations 'disabled person' is defined as a persons to whom Section 29(1) of the National Assistance Act 1948 applies.

6. Legal Guidance

6.1 These notes are for guidance only and do not substitute for Statutory Instrument 2010 No.404, and the adopted Runnymede Borough Council Charging Scheme No.10 2010; which contain the full scheme and statement of the law.
