CONDITIONS OF APPLICATION

This application will only be considered as complete if the correct fee has been paid and the following documents are included with this application form. Incomplete applications will not be accepted.

1. Licensing authorities have a legal duty not to issue operator or PHV or taxi driver's licences to people disqualified by their immigration status from holding them, in order to prevent illegal working in the private hire vehicle and taxi sector. Your right to work in the UK will be checked as part of your licensing application, this could include the licensing authority checking your immigration status with the Home Office. You must therefore provide a document or document combination that is stipulated as being suitable for this check. The list of documents is set out on this form. You must bring the original document(s), such as a passport or biometric residence permit, so that the check can take place. The document(s) will be copied and the copy retained by the licensing authority. The original document will be returned to you.
If there are restrictions on the length of time you may work in the UK, your licence will not be issued for any longer than this period. In such circumstances, the check will be repeated each time you apply to renew or extend your licence. If, during this period, you are disqualified from holding a licence because you have not complied with the UK's immigration laws, your licence will lapse and you must return it to the licensing authority, failure to do so is a criminal offence.
2. An applicant must supply a Basic Criminal Records Disclosure Certificate. Such certificates are then required every year on the anniversary of the grant of the operators licence.
3. The applicant must have successfully completed Runnymede's Safeguarding / Prevention of Child Sexual Exploitation online training module and produced the pass certificate as part of this application.
4. The applicant must have completed Runnymede's Disability Awareness Training online training module and produced the completion certificate as part of this application.
5. The applicant must be able to demonstrate that they possess a good knowledge of the Conditions and Regulations in Runnymede regarding Private Hire Operators This will be by way of passing the Runnymede Knowledge test
6. **Tax Conditionality** The Finance Act 2021 applies tax conditionality to licence applications for private hire operators. There are differing conditions for first time applicants and those who are renewing or have held a licence previously.

First time licence applicants must provide confirmation that they are aware of the guidance about their tax obligations. [Complete a tax check for a taxi, private hire or scrap metal licence - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/complete-a-tax-check-for-a-taxi-private-hire-or-scrap-metal-licence)

This application form will not be considered as complete unless you confirm you have read the guidance. Please note that you are asked to confirm you are aware of the guidance when signing the declaration on this form.

Applicants wishing to renew a licence must obtain confirmation from HMRC that they have completed the check before the licensing authority is able to consider their application. An applicant will need to complete a tax check if they are:

- renewing a licence
- applying for the same type of licence you previously held, that ceased being valid less than a year ago
- applying for the same type of licence you already hold with another licensing authority

You must carry out the tax check yourself. You cannot ask a tax agent or adviser to do this on your behalf. The tax check will ask questions about how you pay any tax that may be due on income you earn from your licensed trade. For information on how to complete a tax check please see [Complete a tax check for a taxi, private hire or scrap metal licence - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/complete-a-tax-check-for-a-taxi-private-hire-or-scrap-metal-licence)

After you have completed the tax check you will be given a 9-character tax check code. You will need to give the code on your application to the licensing authority, so they can confirm you have carried out a tax check. Place the code exactly as given **here**:

You will not be granted a licence if you do not give a tax check code to your licensing authority.

7. It is important to recognise that there may be a delay between the time of your application being submitted and the time your licence is granted. If during the period between you applying for a licence and a licence being granted, you are convicted, cautioned or bound over for any CRIMINAL offences including disqualification from driving OR are subject to any outstanding charges or summons then you must inform the licensing authority immediately. Failure to do so may result in your application being refused.

8. **National Register of Taxi Licence Refusals and Revocations (NR3)**

The licensing authority provides information to the National Register of Taxi Licence Refusals and Revocations (NR3). Where a PHV operators licence is revoked, or an application for one refused, the authority will automatically record this decision on NR3. All applications for a new licence or licence renewal will automatically be checked on NR3.
