LICENSING REQUIREMENTS

Requirements in respect of Hackney Carriage and Private Hire vehicles. These must be read in conjunction with either Hackney Carriage Bylaws & Licensing Conditions Or Private Hire Licensing Condition's which are available in our policy.

[Hackney Carriage and Private Hire Licensing Policy 2020 to 2025 \(runnymede.gov.uk\)](http://www.runnymede.gov.uk)

An application for a vehicle licence will not be considered if the vehicle concerned does not satisfy the definition of a private hire vehicle, as set out in Section 80 of the LGMPA 1976 part II, (i.e. a car constructed or adapted to seat fewer than nine passengers), or fails to meet the following requirements:-

- (a) The vehicle must be of a four door saloon or estate car type but does not include a convertible or soft top vehicle.
- (b) Must have an engine capacity of a minimum of 1300 cc, although smaller efficient modern engines may be acceptable
- (c) Must have a minimum seat width of 41 cm per passenger.
- (d) Passengers must have clear access and egress from every seat for which the vehicle is licensed.
- (e) Each seat to have a 3 point lap and diagonal seat belt
- (f) It is a requirement that MOT tests are undertaken at 6 monthly intervals once a vehicle is over 4 years old. You will be expected to produce a certificate at the time of vehicle licensing/re-licensing and at an interval of 6 months thereafter.
- (g) A vehicle under 4 years old is required to have an MOT test annually at licensing/re-licensing.
- (h) Vehicles will be refused a licence for any advisory on a Mot which advises on the following areas unless evidence is produced to show that the advisory point has been repaired or replaced:
 - Any part of the steering mechanism
 - Any part of the braking system
 - Tyres
 - Any part of the suspension system

Those vehicles which have advisories following a 6 monthly Mot (i.e. between licensing) will be expected to have the advisories remedied normally no longer than 15 working days from the date of the Mot and

produce evidence of repair to the licensing authority. Failure to have the repairs carried out and / or produce evidence of such would lead to consideration of suspension of the vehicle licence.

- (i) When licensing/re-licensing a vehicle the MOT test certificate should be obtained **no more than 5 working days prior to licensing application date.**
- (j) Vehicles must meet or must have met European and UK vehicle safety standards at the time of manufacture.
- (k) A fire extinguisher of dry powder, foam or CO2 of not less than 2 lb/0.9 kg capacity which is approved to BS EN3 standards is to be provided in the vehicle cab or boot. This fire extinguisher is to be accessible and maintained in serviceable condition.
- (l) A medium size first aid box which caters for 1 – 8 passengers and complies with BS8599-2 which is approved to BS EN3 standards is to be provided in the vehicle cab or boot. This first aid box is to be accessible and kept fully stocked.
- (m) Exterior of the vehicle
 - The vehicle must be submitted for inspection in a clean state such that an effective inspection is possible. Should the vehicle be submitted in an unclean state then the application shall be refused
 - The exterior of the vehicle should not show signs of rusting
 - The paintwork should not be faded or show signs of mis-matched repairs or have any scratches, scuffs, cracks or abrasions where the top layer of paint has been removed
 - The bodywork should be maintained so as to be in excellent condition and be free of large dents. (a large dent is not defined, this will be determined by the licensing officer)
 - Have wheels and wheel trims that have significant damage which detracts from the overall excellent condition of the vehicle.
- (n) Interior of vehicle
 - The seating and carpet areas of the vehicle shall not show signs of: a) staining b) damp c) fraying or ripping of the material d) seat covers that are loose or badly fitted.
 - The seats should provide sufficient support for comfortable travel and should not demonstrate excessive compression of the seating area or wear within the support mechanism. Any mechanism for adjusting the height or angle of the seat must be in working order
 - Interior panels and fittings within the vehicle should not be damaged nor show excessive wear, or staining.
 - The interior of the vehicle should not have damp or noxious smells
- (o) left hand drive vehicles will not be licensed except for limousines, providing they have been inspected by the Driver and Vehicle Standards Agency and have an approval certificate issued for Single Vehicle approval. Or, from October 2014, a certificate for Individual Vehicle Approval carried out to the normal inspection standard.
- (p) the vehicle must not be fitted with or carry signs or advertisements illuminated or otherwise save for the name and telephone number of the firm, which may be displayed on the side of the vehicle in lettering of not more than 3 inches in height, and such lettering shall not be illuminated or include the words "cab", "taxi-cab" or "taxi".
- (q) the vehicle must not be an Austin FX4 or be of similar appearance.
- (r) Vehicle's must not be fitted with second-hand 'part worn' tyres. All tyres must have been purchased as 'new tyres'.
- (s) Vehicle windows

- i) all windows must be kept clean and free of labels except those required by relevant legislation or licensing conditions;
- ii) all glazing must at all times comply with Road Vehicles (Construction and Use) Regulations 1986 regulations (as amended) with regard to the level of tint;
- iii) tinted films applied to the vehicle windows post manufacture are not allowed; and
- iv) All side and rear windows will be as installed by the vehicle's manufacturer.

(t) **Identification of Private Hire vehicles**

An adhesive sign (the size of the lettering which shall be as specified by the Council) containing the wording "Private hire vehicle Pre-Booked Only" printed in black against a white background with a black boundary is displayed on both front doors of private hire vehicles apart from those which are plate exempt.

The operators name phone number and internet address can be displayed below this sign providing such lettering is no larger than the lettering on the adhesive sign.

Advertising on licensed vehicles

Hackney Carriages – the licensing authority will not permit any advertising material, corporate branding or any other medium that –

- (a) does not conform with the rules of the British Code of Advertising Practice.
- (b) relates to the promotion of alcoholic drinks.
- (c) interferes with any equipment normally fitted to the vehicle (including the vehicle electrics and wiring etc.).
- (d) interfere with any vehicle design features such as methods of fixing, brake cooling vents, tyre inflation valve or with any wheel balancing dynamics or steering operation.
