CONDITIONS OF APPLICATION

This application will only be considered as complete if the correct fee has been paid and the following documents are included with this application form. Incomplete applications will not be accepted.

1. Licensing authorities have a legal duty not to issue operator or PHV or taxi driver's licences to people disqualified by their immigration status from holding them, in order to prevent illegal working in the private hire vehicle and taxi sector. Your right to work in the UK will be checked as part of your licensing application, this could include the licensing authority checking your immigration status with the Home Office. You must therefore provide a document or document combination that is stipulated as being suitable for this check. The list of documents is set out on this form. You must bring the original document(s), such as a passport or biometric residence permit, so that the check can take place. The document(s) will be copied and the copy retained by the licensing authority. The original document will be returned to you.
If there are restrictions on the length of time you may work in the UK, your licence will not be issued for any longer than this period. In such circumstances, the check will be repeated each time you apply to renew or extend your licence. If, during this period, you are disqualified from holding a licence because you have not complied with the UK's immigration laws, your licence will lapse and you must return it to the licensing authority, failure to do so is a criminal offence.
2. An applicant must produce a Runnymede medical report form signed by their registered medical practitioner to the effect that he/she is physically fit to the DVLA specified group 2 standard to be the driver of a hackney carriage/private hire vehicle. For applicants who have been resident in a country other than the UK we will also require an equivalent DBS certificate from that country. This must be dated no more than 3 months from your application date.
