## PARK RULES

These rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

1. No person under the age of 50 may reside in a park home with the exception of the park owner and their family, or a Park Manager or Warden.
2. For reasons of ventilation and safety you must keep the underneath of your home clear and not use it as a storage space.
3. You must not erect any fence or other means of enclosure, plant or remove any tree or large shrub species without the written permission of the park owner (which will not be unreasonably withheld) subject to it complying with any Site Licence condition and Fire Safety requirements.
4. You must not have external fires, including incinerators nor must you keep any inflammable substances on the park except in quantities reasonable for domestic use.
5. Any shed erected on the plot must be of non-combustible construction and be of a size, type and design approved of in writing by the park owner. (which will not be unreasonably withheld).
6. Any structure erected in the separation space between park homes must be of a non-combustible construction and positioned so as to comply with any Site Licence condition and fire safety requirements and be of a type and design approved of by the park owner in writing. (which will not be unreasonably withheld).
7. Household, recyclable, bio-degradable and garden waste must be disposed of in approved containers through the local authority service. It is expressly forbidden to deposit any garden or any other form of waste on any part of the park or on any other plot.
8. Only waste water, human waste and toilet tissue must be flushed into the waste water system.
9. Any vehicle driven on the park must comply with displayed speed limits, be fully insured and have a current MOT certificate (if applicable) and the driver must hold a full valid driving licence.
10. One vehicle belonging to each occupier of a home may be brought onto the park. Where a parking bay is installed adjacent to a home this must be used for one vehicle only and the second vehicle must be parked in available car parking spaces at the roadside.
11. Parking is not allowed on any grassed area.
12. Disused or unroadworthy vehicles must not be kept anywhere on the park. We reserve the right to remove any vehicle which is apparently abandoned.
13. Other than for delivering goods and services, you must not park or allow parking of commercial vehicles of any sort on the park, including light commercial or light goods vehicles as described in the vehicle taxation legislation, or vehicles intended for domestic use but derived from or adapted from such a commercial vehicle.

14. You must not allow any motor home, caravan or touring caravan to be brought onto the park.
15. You must not carry out the following works or repairs on the park: a) Major vehicle repairs involving dismantling of part(s) of the engine or b) Works which involve the removal of oil or other fuels

18. You must not use musical instruments, all forms of recorded music players, radios and similar appliances and motor vehicles so as to cause nuisance to other occupiers, especially between the hours of 10.30pm and 8.00am.
19. You must not use the park home, the pitch or the park (or any part of the park) for any business purpose, and you must not use the park home or the pitch for the storage of stock, plant, machinery or equipment used or last used for any business purpose. However you are at liberty to work individually from home by carrying out any office work of a type which does not create a nuisance to other occupiers and does not involve other staff, other workers, customers or members of the public calling at the park home or the park.
20. No resident or other person must enter or use vacant plots for any reason, or interfere with any plant or park equipment.

24. Prior to undertaking any additions, variations or alterations to your plot it is necessary to obtain the written permission of the park owner (which will not be unreasonably withheld). A plan to reasonable scale, showing the existing layout and proposed changes should be provided which in most cases will allow an immediate decision to be made.
25. Residents remain responsible for their visitors and must ensure that they understand and abide by the park rules.
