Terms & Conditions:

1. We reserve the right to issue a Permit at our discretion. An application and the receipt of payment for a Permit will be treated as an offer and will not constitute a legally binding contract in respect of the issue of a Permit.
2. Permits can only be issued, for a car, motorcycle or small commercial vehicle registered to a resident entitled to hold the Permit under the rules governing the operation of Resident Parking Places and Controlled Parking Zones.
3. From 18 April 2011 the Permit charge for the first Permit is £50 and £75 for subsequent Permits. Charges are set by Surrey County Council.
4. A Permit remains our property, the Permit must be returned to us if you move away. We reserve the right to cancel and withdraw a Permit at any time subject to these published Terms & Conditions. The number of Permits that can be issued to a household may be limited. Please check with us if you already have one Permit or if you have off-street parking at your address.
5. If this is your 1st application we need information to confirm your residency and eligibility as detailed on the application form.
6. If this is a renewal of an existing Permit and the details are unchanged we will not normally ask to see any documents. We may need to see documents later on, for example if a question arises over your eligibility to have a Permit.
7. **We will not send out reminders when a Permit is about to expire.** It remains your responsibility to ensure you have a valid Permit on show.
8. There is a £15 charge for replacing a lost, stolen or damaged Permit or if there is a change of vehicle.
9. All drivers, including residents, need to follow the rules governing the operation of the Resident Parking Place or Controlled Parking Zone. Regular enforcement patrols help to ensure these facilities work well.
10. A Permit that is misused, or that has been altered or defaced is invalid. A Permit does not guarantee a space and it does not allow the holder to park on yellow lines. If a vehicle is parked incorrectly or we cannot verify its entitlement to park, a Penalty Charge Notice may be issued.
11. If a Permit is fraudulently obtained we will consider taking criminal proceedings.
12. Visitor Permits can be bought in advance, allowing visitors and guests to park in resident bays. Each costs £2 and is valid for one day. You will need to fill out the date details on the permit face using permanent ink before displaying it in the visiting vehicle's windscreen.
13. You can ask us for a Waiver Certificate (dispensation) to allow contractors to park when they are carrying out work on your property.
