Guidance Note 2 – Star rating and length of licences

The regulations and associated guidance introduce a risk-based system that must be used when issuing animal activities licences under the regulations, with the exception of “Keeping or Training Animals for Exhibition” where all licences are issued for three years and star rating does not apply. This system is used to determine both the length of licence and the star rating to award. The scoring matrix is shown below:

Scoring Matrix		Welfare Standards		
		Minor Failings (existing business that are failing to meet minimum standards)	Minimum Standards (as laid down in the schedules and guidance)	Higher Standards (as laid down in the guidance)
Risk	Low Risk	1 Star 1yr licence Min 1 unannounced visit within 12 month period	3 Star 2yr licence Min 1 unannounced visit within 24 month period	5 Star 3yr licence Min 1 unannounced visit within 36 month period
	Higher Risk	1 Star 1yr licence Min 1 unannounced visit within 12 month period	2 Star 1yr licence Min 1 unannounced visit within 12 month period	4 Star 2yr licence Min 1 unannounced visit within 24 month period

Further detailed information on the risk-based system and the standards that are required to be met can be found on our website. www.runnymede.gov.uk/aal

Guidance Note 3 – Refusal of licences

If the applicant is failing to meet the required standards to enable a licence to be granted, we will work with them to explain the issues and assist them in meeting the standards. However if the required minimum standards are not subsequently met then the application will have to be refused. If an application for a licence is refused, the applicant has the right to appeal against the decision to the First-Tier Tribunal.
