Community Infrastructure Levy

Thank you for your consultation request on the above dated and received by  on 21st February, 2020.

 is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

 **does not consider that this Community Infrastructure Levy poses any likely risk or opportunity in relation to our statutory purpose, and so does not wish to comment on this consultation.**

The lack of comment from  should not be interpreted as a statement that there are no impacts on the natural environment. Other bodies and individuals may wish to make comments that might help the Local Planning Authority (LPA) to fully take account of any environmental risks and opportunities relating to this document.

If you disagree with our assessment of this proposal as low risk, or should the proposal be amended in a way which significantly affects its impact on the natural environment, then in accordance with Section 4 of the Natural Environment and Rural Communities Act 2006, please consult Natural England again.

Yours sincerely
