

Runnymede CIL Examination

Detailed Guidance Notes for Participants in Virtual Hearings 9.30 am start, 26th October 2020.

1.0 Introduction

- 1.1 The Hearing sessions for the Runnymede CIL Examination will proceed 'virtually', by means of Microsoft Teams, thus overcoming the restrictions imposed by the Covid-19 pandemic. These guidance notes focus specifically on participation in the virtual hearings by means of Microsoft Teams.
- 1.2 Some people will be more familiar with Microsoft Teams than others, and we will have to adapt, make allowances and learn from the experience as we go along. However, we want to emphasise that the Hearing will be conducted in a fair, open and impartial manner. Please read this note carefully as it sets out the procedures and rules for how the virtual hearings will be conducted.
- 1.3 Charlotte Glancy is the Programme Officer for the examination, working under the Examiner's direction and independently of the Council. She is responsible for organising the administration of the examination, maintaining the document library, ensuring that all documents received are distributed, and acting as the channel of communication between the Examiner, the Council and those taking part in the examination. She is the first point of contact for those with queries about the process and participation in the virtual hearings.

The Programme Officer's contact details are:

Charlotte Glancy
Banks Solutions
80 Lavinia Way East
Preston
West Sussex
BN16 1DD
Telephone: 01903 776601
Mobile: 07519 628064

Email: bankssolutionsuk@gmail.com

2.0 Joining the virtual hearings as a participant

- 2.1 If you are intending to join the virtual hearings using a PC, Apple Mac, iPhone or Android, you can download and install the Microsoft Teams application, alternatively you can join using a Chrome browser on your desk top computer (not on your mobile phone). Some people with older devices, or who use corporate devices which prevent downloads being installed, could experience problems. In these circumstances, please either use an alternative or contact your corporate system administrator. Please do familiarise yourself with Microsoft Teams before joining the Hearing. You will be responsible for making

sure that your IT equipment and internet connection are functional and that you have everything in place and working to join the Hearing via Microsoft Teams.

- 2.2 The Programme Officer will email participants with an invitation to join the Hearing. Participants should join their session using the electronic link in their invitation. If you prefer to join by telephone or are unable to use the video option, simply dial the telephone number provided and when asked, type your conference ID followed by the # key. The telephone number to ring will be provided within the invitation.

3.0 Watching the virtual hearing

- 3.1 The Hearing sessions will be available for non-participants and the public to watch on the internet. Each hearing will be recorded and live streamed on the [Council's youtube channel](#). A link will be available on the examination web pages at [Runnymede CIL Examination Webpage](#). This will enable people to watch the hearings as they would with a physical hearing and will also allow those in the same organisation or team as their participating colleagues to keep up with the proceedings.

4.0 Participating in the Virtual Hearings

- 4.1 The aim is to make the virtual hearings as close as possible to the experience of physical hearings in the way they run and the way you participate.
- 4.2 At the start of each session, the Examiner will introduce each topic, invite contributions and ask questions. If you wish to respond to a question, or ask your own question, please use the 'raise hand' facility in Microsoft Teams to indicate your desire to speak.
- 4.3 The Examiner will give each participant who has raised their hands an opportunity to have their say. Although all participants may be able to see each other, only one participant may speak at a time. We ask that all participants have their video turned off and they are on mute until invited to speak. When you are invited to speak please unmute your microphone, and state your name and, if any, your organisation, if it is your first time speaking during the session.
- 4.4 If you are making representations, please make your responses brief and focused. You will not need to repeat your full case, or give any formal presentation, as the Examiner will have read all your representations. The Examiner may ask questions about aspects of your verbal or written submissions. The format will be a structured discussion, there will not be any cross examination and responses should always be directed to the Examiner. The Examiner will invite participants to speak in turn, so please be patient, and say what you need to say.
- 4.5 If you have already spoken on a particular topic but believe that you can help further on the subject, raise your hand using the facility in Microsoft Teams. Please ensure that anything you say here is new and relevant. Simply repeating

what you or others have already said, or to register that you don't agree with another participant, is not necessary.

- 4.6 The Examiner will ask the Council for their comments on the main points raised and he will conclude the discussion on any topic when he considers he has sufficient information. At the end of the Hearing, the Examiner will ask all participants to log out of Microsoft Teams.
- 4.7 If you experience electronic interference during a session, try moving your mobile phone away from your computer. If you experience other connectivity issues, try switching off some other devices which share your Wi-Fi, or move closer to the router.
- 4.8 If you are unable to join, or lose connection during the Hearing, try again to join using the link provided in your invitation. The Hearing may continue in your absence. As a backup, you can re-join by telephone, using the number in the invitation. Transferring from Wi-Fi to mobile data or making a Wi-Fi hotspot using a mobile phone are other contingencies that you may wish to use. If none of these resolve the issue, please contact the Programme Officer for assistance.
- 4.9 **The Council will be running a test event on Friday 23rd October 2020 at 12pm for all participants, if you are interested in joining this please email the Programme Officer and she will send you an invitation.** The Examiner will not be attending the test event. It is intended only to ensure participants are comfortable with the arrangements for the virtual Hearing using Microsoft Teams.

5.0 Conduct, Documents, evidence and presentation

- 5.1 CIL Examinations are a formal event, with appropriate conduct. All participants, their views and evidence are treated with fairness and consideration, and participants do not interrupt each other.
- 5.2 The virtual Hearing will start strictly at the time indicated on the agenda. You will receive an invitation from the Programme Officer to the relevant session with a [Privacy Policy](#). You should join the Hearing on Microsoft Teams at least 20 minutes before the time indicated on the agenda. The Programme Officer is responsible for admitting participants into the hearing session, you must wait to be admitted. You will be held in a waiting lobby until you are admitted into the hearing by the Programme Officer. If you attempt to join the Hearing after the time indicated on the agenda you may not be admitted.
- 5.3 You should have made appropriate arrangements to ensure that your working environment is quiet, and that the Hearing (and your ability to concentrate on it) is not disrupted by external noise and unnecessary distractions.
- 5.4 Please ensure that your camera is positioned to provide a clear, front-on view of your face and avoid sitting where you are silhouetted in front of a window or light.

- 5.5 You must make sure that you attend the Hearing you are invited to. Participants are expected to be in the Hearing from start to finish, as they would for a physical Hearing. Leaving midway through a session, or dipping in and out of the sessions, is strongly discouraged and you may result in missing the opportunity to speak, other people's contributions, and the Examiner's announcements.
- 5.6 When adjournments are announced, please make a careful note of the resumption time and be back at your screen before that time. If you need to leave early for any reason, please inform the Programme Officer as soon as possible.
- 5.7 The chat facility in Microsoft Teams must not be used under any circumstances. It does not form part of the formal Hearing procedure. Any attempt to post anything will be declined. You should consider whether you are likely to need to confer with another person (Agent, Legal Representative etc) during the event. If so, please agree how you intend to achieve this e.g. SMS, Email, WhatsApp etc before the event.
- 5.8 The examination website contains all the relevant examination documents. These are available to all participants, stakeholders and the public.
- 5.9 No new documents should only be submitted during the Hearings unless the Examiner has made a specific request. If any new document is requested, it should be emailed to the Programme Officer who will publish it on the examination website.

6.0 Privacy

- 6.1 The hearings will be conducted in line with the Council's data protection policies and processes as set out here: [Runnymede Privacy Statement](#)
- 6.2 Please have regard to the [Council's privacy notice](#). You can turn your camera off if you don't want your image to be viewed.
- 6.3 Please do not make your own recording of the Hearing. You must ensure that no-one else appears on your camera unless it has been otherwise agreed, and you should clear your background of personal information. If you prefer, Microsoft Teams allows you to blur your background, but please do not use any of the other backgrounds that are available on Microsoft Teams. You must also not share any personal information during the hearing, either yours, or anyone else's.
